Prosegue l'impegno di OLCESE FERRARI verso una produzione più responsabile.
Sotto il marchio ECHOS nasce il nuovo articolo BIO ECO CASHMERE, che riunisce in sé cotone proveniente da coltivazioni organiche e cotone proveniente da pre e post-consumo.

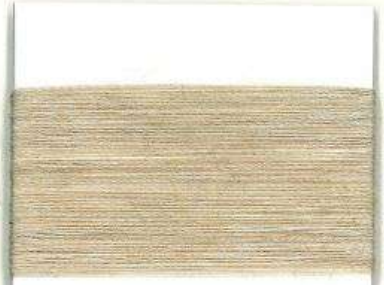

OLCESE FERRARI's commitment to more responsible production continues.
Under the brand ECHOS, the new BIO ECO CASHMERE article is born, which brings together cotton from organic farming and cotton from pre- and post-consumer.
